## Report of Principal and School Improvement Council

Chandler Creek Elementary School is proud to be a school where family values and a sense of one's community are prevalent. During the 2012-2013 school year, Chandler Creek aligned its core principles with that of Greenville County Schools to accelerate student achievement, broaden support, and cultivate identity. The school's tagline, Celebrating Diversity, originated as a school wide focus team worked to develop insight into the varied degrees of learning and abilities that children bring to the school. The staff agreed that our differences should be embraced and celebrated as we seek to educate all children.

Student Achievement was recognized with the ESEA School Report Card Grade showing a 90.6% rating earning an "A" for performance. The school received the Palmetto Silver Award and a growth rating of Average which showed gains in student achievement and proficiency in ELA and MATH for the majority of targeted subgroups.

Support was broadened with the introduction of the school's "Brain Busters" group which focused on basic knowledge of math facts. IXL computer software was initiated and a daily tutoring club met to strengthen knowledge of math skills. Varied clubs provided exposure beyond the school day and included sports club, art club, student council, Jr. Beta club, Lego Club, Spanish club, chorus, recorder club and a running club. Students also participated in Spanish lessons weekly which supported the schools International Baccalaureate Initiatives. Our PTA hosted the Fall Festival, school dances, and varied parent nights, as well as, joining with local companies for spirit nights and skating events. The school's SIC met monthly to create a more pervasive means of school to home communication through work with the school website, weekly newsletters, school events messenger, up to date marquis information, and a survey to the staff about school support initiatives. Chandler Creek Elementary was awarded the Clean School Award for the third consecutive year and the Safe Schools Award for creating a safe learning environment that promotes health and wellness.

As the 2012-2013 school year came to a close, Chandler Creek said farewell to the long time principal who retired and welcomed new leadership in March of 2013. With new leadership at the helm, the school community surveyed and assessed future needs to include increased technology, the onset of a new literacy program, IB training for all staff, and the implementation of the Healthy Menus option. The CATCH committee has reorganized to promote increased physical activity and the school leadership forum has met to discuss building leadership skills school wide with character lessons that coordinate with IB methodology. Through candid discussions and collaborative exercises, the school professional learning community has committed to a climate of growth. A glimpse into the future of Chandler Creek Elementary shows a community of learners striving for excellence and celebrating the possibilities for the children and families of Greer, South Carolina.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
